

CITY OF HALLETTSVILLE
FLOOD PLAIN CERTIFICATE

Name of Applicant _____

The above named applicant with property located at:

_____ has been reviewed by the City Building Official and it is his determination the proposed location is not within the identified flood plain of the City of Hallettsville.

Warning:

The flood hazard boundary maps and other flood data used by the City Building Official in evaluating flood hazards to proposed developments are considered reasonable and accurate for regulatory purposes and are based on the best available scientific and engineering data. On rare occasions greater floods can and will occur and flood heights may be increased by man-made or natural causes. This exemption certificate does not imply that developments outside the identified areas of special flood hazard will be free from flooding or flood damage. Issuance of this exemption certificate shall not create liability on the part of the City of Hallettsville, the City Building Officials or any officer or employee of the City of Hallettsville in the event flooding or flood damage does occur.

Acknowledgement of Warning by Applicant

Signature of City Building Official
